Re: 2021 Okotoks Petroleum Association Golf Tournament

To: All Participants and Sponsors

The golf committee has had to make an extremely tough decision about moving forward with the Annual Okotoks Petroleum Golf Tournament held at D'Arcy Ranch Golf Course on June 4th, 2021.

In consideration of the recent Provincial announcement and easing of restrictions we had hoped it would allow us to hold the tournament with some modifications due to Covid 19 virus. We have been informed that even after the June 1st, 2021 date that physical distancing regulations and public gatherings still remain basically unchanged.

We have decided to take a more cautious approach to ensure the safety of our sponsors, golfers, committee members, golf course employees, community and to postpone the golf tournament until **September 10th, 2021**. The tournament on that day is being planned as a 08:00 am Shotgun start.

It is the OPA's intent to hold the golf tournament and get back to what our event has always been about, the camaraderie and community over the past 32 years.

Any sponsors or participants who have already registered and have sent a payment via cheque please be assured it has NOT and WILL NOT be cashed. If you willing to "stay the course" as a sponsor and/or stay as a registered golfer for our **September 10th, 2021** event we can hold at your request the cheques already sent in. If you prefer we can also return any cheques mailed in. Please reply back to this email if you would prefer your cheque returned.

To our Sponsors and participants please accept our sincere apologies.

We would like to thank you for your continued support and will be in touch soon.
